# FREE\* Art Masterclass Tasters

February Half-Term 2020

ARE YOU 15-18,  
STUDYING AN ART  
PATHWAY

Timetabling and resources in Art subjects can be limited, reducing opportunities to fully develop areas of your skills.

To bridge this gap and help you progress into Art based Further Education or industry roles, Constellation Group, in conjunction with Chloe Savage Embroidery, are launching a range of courses taught in Clifton, Bristol by practising industry experts.

A fantastic opportunity to develop skills to complement and enrich your existing studies and portfolio.

\*Tuition is free but a nominal charge will be made for materials (no more than £35 per session). Please see online for details.

# Learn from the experts!
